

The Dale Carnegie Course

Effective Communications & Human Relations

„That is what every successful person loves: the game. The chance for self-expression. The chance to prove his or her worth, to excel, to win.“ – D. Carnegie, founder of Dale

Objective

The Dale Carnegie Course® will draw out your employees' natural strengths, helping them build the courage and confidence they need to take command of their role as leaders and achieve the unexpected.

We show your employees how to work smarter at every step by gaining the trust and respect of the people around them, creating a culture that works harder for you at all levels of your organization.

Target group

Professionals at every stage of their career who want to improve their own performance, lead with persuasion and achieve better results with the team.

Content

- Build Greater Self-Confidence
- Strengthen People Skills
- Enhance Communication Skills
- Develop Leadership Skills
- Reduce Stress and Improve our Attitude

Your profit

Changing People and Business in the VUCA-World. The practice-oriented interval training quickly brings visible progress. You will achieve significant progress in confident appearance and effectively motivating people to embrace change and take action.

„I have attended several seminars of Dale Carnegie Trainings. Today I profit from more self-confidence, joy and success in sales. I am convinced that the new habits and insights from the Dale Carnegie program have contributed significantly to my professional development.“

– Michael Kurmann (since September 2019 Field service manager), Zur Rose AG (Frauenfeld / TG)
